Briarwood Happenings

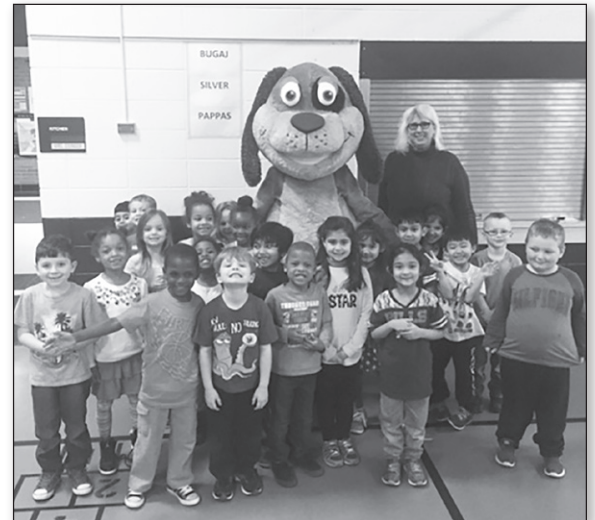

Flag Day - Briarwood Elementary brought back to life the celebration of Flag Day. Prior to June 14th, all students and classrooms spent time researching and learning facts about the flag. Some classes learned about the number of stars and stripes. Other classes learned about the colors, and what the stripes signify. Then on June 14th, all students and staff listened to American-themed music as they paraded around the school and track with flags.

Pinewood News

Field Day 2017 - This year, Pinewood Elementary School decided to use their PTC Sponsored Colored Day as an opportunity for some friendly competition. Titled, The Color War, our Blue and Yellow teams competed in various events around Pinewood. The Yellow Team got this year's victory, and was able to hold up the newly fashioned Color War Trophy. Next year, Pinewood Elementary hopes the students bring the same enthusiasm and pride to this competition.

Autism Awareness Month - In April, Pinewood Elementary School partnered with Jack's Place for Autism to bring Auggie to our students. Auggie is a dog with autism, and through his special story our children were taught some very important lessons about the Autism Spectrum Disorder. This conversation, as well as a series of learning activities designed for our students, has made Pinewood a more welcoming place for all students, and has made our students more aware of the needs of our friends with autism.

School Board Meeting - In March, Pinewood welcomed our School Board for a Special-on-location School Board Meeting. Our School Board Members toured Pinewood with individual student docents, and got to experience a day-in-the-life of a Pinewood student. Board Members met students and staff from every grade level to listen and learn about the various learning opportunities at Pinewood. Pinewood was extremely proud of the honor of hosting this event, as well as the efforts and dedication of the students and staff presenting at this event.
