

# the BOARD REPORT

We did it *together*

**Thank you**

**Warren Woods voters**

SUMMER 2020

Volume 71 No. 1

While our successful May 5th bond election seems like ancient history, we would like to say *thank you* again. We are grateful for the community's support. The level of voter support for Warren Woods' May 5th bond proposal was the highest ever—62% yes.

The success of the bond proposal is especially gratifying, given that it occurred after Michigan's schools had been closed because of the coronavirus pandemic. Our voters brought new meaning to the theme that appears in our logo: **Make It Happen Together.**

The \$45.5 million bond proposal that was approved by voters will provide funds to remodel and upgrade schools and school facilities and to provide funding for a learning environment that is safer, more secure, and up-to-date.

### ***Our successful bond proposal will provide revenue for:***

- additional enhancements in school security and safety;
- further renovations of classrooms and athletic facilities;
- continuing technology enhancements; and,
- replacement of more items that have reached the end of their life expectancy, like roofs, lighting, flooring, furniture, and school buses.

All of this will be accomplished with no change in the school district's current tax rate. In fact, the tax rate is projected to remain at or below the number of mills levied in 2019.

In Warren Woods, we have a history of making promises to our community and keeping them. The May 5th bond election will enable the Warren Woods Public Schools to continue its commitment to quality education. Thanks to you, we will once again deliver on our promises and make good things happen. We will do it **together**. We promise!

# Pledge of Allegiance

The Michigan Legislature amended the School Code to require school districts to offer all students the opportunity to recite the Pledge of Allegiance every day that school is in session. This requirement took effect with the start of the 2014-2015 school year. However, students/parents may elect to opt out. No student shall be penalized for failure to participate in the Pledge and the staff shall protect any students who choose not to participate from bullying .
