October 10, 2023

Dear Parent/Guardian:

Warren Woods Middle School will offer an abstinence-based sexuality series to all 7th grade students. The “Making a Difference” curriculum is sponsored by the SWIFT Program (Sexual Wellness & Information for Teens), a program of the YMCA of Metropolitan Detroit. This program promotes a positive approach to abstinence from risky behavior and recognizes parents & guardians as the primary educators of their children. We encourage students to share with their parents/guardians what we discuss in these classes. Personal information will not be shared. The students will be asked to complete anonymous pre and post surveys to aid in the evaluation of the program. Completing the survey is optional and copies of the survey, as well as the program materials, are available for your review by clicking on the link below:

[PARENT PREVIEW MATERIALS LINK](#)

Unless you decide to OPT OUT your child (see information below), it is understood that permission has been granted for your child to participate in the program with the following understandings:

- I understand that my child will be participating in a curriculum that teacher about the dangers/risks associated with risky behaviors such as drugs, alcohol, and adolescent sex
- I understand that my child will be completing an anonymous and confidential pre/post survey

OPT-OUT

If you would like your child to OPT OUT of this program, you must complete the OPT-OUT form by clicking on the following link:

[OPT OUT PARENT LINK](#)

We look forward to working with you and your child to prepare for a healthy and successful future.

Sincerely,

WWPS Sex Ed Advisory Board & WWMS Administration
