Your membership dues alone are not enough to financially support the many projects and activities that the Booster Club funds. Our major sources of income are two annual fundraisers and our concession stands. Volunteers are needed to guarantee the success of these events. While families are not required to participate, your help is greatly appreciated and necessary in making our fundraising a success!

Please check any events listed below that you may be interested in volunteering (our Volunteer Coordinator will contact you closer to these events to check your availability):

- _____ Arts and Crafts Fair (November)
- _____ May Fair Carnival (May)
- _____ Concession Stand (Year-long events as needed)

Our General Membership meetings are held monthly in the back of the library at WWT @ 7:30 pm. (Subject to change; please see school calendar). Please join us for ongoing Booster Club information and updates from the Principal and Athletic Director.
